Electronic invoicing

Dear business partners,

we also offer electronic invoice transmission to avoid the cumbersome handling of paper receipts as well as shipping costs and internal mail distribution. This process is also more environmentally friendly.

If you would like to use this procedure, you will receive your invoices in PDF format in future, sent to the e-mail address of your choice.

If you are interested in switching over to electronic invoicing, please complete the section below and send it back to us signed either by fax to 033708 / 36950, by e-mail to Rechnung@Schneider-Berlin.com or by post.

Thank you!
